**Shella Quales**  
Executive BD

**Dragan Markovic**  
Executive BD

**Raymond Greaves**  
Executive BD

Welcome to the 25<sup>th</sup> Annual Can Am Conference here in Boston, MA where it all started. Together we celebrate a quarter of a century of solidarity among our locals and between our 2 great nations. I am proud to participate in this great educational conference and truly honored to be your President for this conference and celebration. I have witnessed this conference grow over these many years. As the years go on, I look forward to reconnecting with old friends and I am very grateful to make new ones.

Over these past 25 years, our goal has been providing educational training you bring back to your locals to educate and to strengthen our members. Every year we try to address the issues and challenges we face day in and day out. This year is no different. We continue our mission in 2019.

A big thank you to ATU Local 589, the Boston Commons Union, for hosting this year's conference. We appreciate the hospitality in welcoming us to your city.

Have a great conference.

In Solidarity

Daniel Cassella  
Can Am President
